WORK & LEADERSHIP EXPERIENCE

ProjectBeta

Served as the Vice-President and President of ProjectBeta - the tech and entrepreneurship club of my school. Led 17+ teams to success at tech symposiums across Delhi; organised ProjectBeta 3.0 – the annual tech symposium inviting over 300 international applicants across 7 events.

Programming Workshops

Conducted programming, web-development, and logic-building workshops for a total of 19 students across 3 consecutive summers. Received extremely positive feedback.

PROJECTS, SKILLS & INTERESTS

LCFR (Full-Stack Webapp) (<https://lcfrr.vercel.app>)

April 2023

An internal management tool for my brother's business. The business employs 18 developers and LCFR boosted the revenue by ~200% to \$6000/month.

CovAID (<https://krishgoel.com/projects/covaid>)

April 2021

Co-founded CovAID to provide personally verified leads to all COVID-19 resources in real-time through brute-force calling with an organised team of 40 volunteers in under 48 hours in the cities of Delhi and Kanpur. Applauded by several newspapers and celebrities.

Eyena (<https://eyena.krishgoel.com/>)

May 2020

Eyena is an IoT based smart mirror that measures your body temperature upon detecting your presence without any physical contact.

Programming: Proficient in Python 3, Data Structures and Algorithms, JavaScript, Node.JS, various frameworks including SvelteKit, ReactJS, and NextJS, MongoDB, HTML5, and CSS3.
